Tel. 0470-41 000

Read this before filling in the application!

Application for preschool/educational care/after-school care

- ▶ You can also apply directly online, using the Saits system [Edlevo](#)
- ▶ Note: Only one child per application form.
- ▶ In the case of municipal placement, the application should be submitted at least six months before the desired placement date. You can only credit a maximum of six months' waiting time.
- ▶ Data necessary for queuing and fee debiting will be placed in a database as long as they are current and processed in accordance with the provisions of the Personal Data Act (PUL).
- ▶ If you want a place at an independent preschool/after-school care, you must submit the application to Växjö kommun, utbildningsförvaltningen.

Information on queuing and similar matters concerning independent activities can be obtained by contacting the respective independent preschool/educational care/after-school care.

- ▶ For more information:
